Reimagination Interventions

Suite of interdependent reimagination measures designed to support the enhanced and extended pedestrian priority in the City Centre:

- Pedestrianisation interventions on 17 streets
- New **bike parking** facilities at 50 locations (city wide)
- Extended **Street Furniture Licenses** including winter proofing
- Enhanced **cycling infrastructure** (bollards, new cycle lanes etc.)
- CityTrees **moss walls** (with sensors/IoT) to improve air quality
- **Urban parklets** – new community interaction spaces
- “**Greening**” the City – attractive spaces to visit
- Temporary **footpath extensions** to facilitate reimagination
- City Centre **branding initiative** – friendly & welcoming signage
